**How did you find the overall experience?....**

Fantastic, over and above what we expected in every way, the kids and adults loved it, would recommend it to anyone. Steven was amazing and the patience of a saint, not only did he bring a near entire zoo into our living room, but the children and some adults got to touch and stroke every animal, reptile and spider, i really think the Meerkats were a firm favourite and also the gannet??(think its spelt right) was really good(tried making a nest in our friends hoody(and he had it on) all in all a truly great birthday for Archie. Children were going home in disbelief of what they had seen, some parents were phoning our house asking if their children had really held and seen the animals they said and were not telling fibs...LOL...we put them straight and told them it was all TRUE.....Steven thanks once again for a fantastic day.....Mark, Carys, Archie(Bday boy) and Poppy.....
