I think our presenter interacted fantastic with both children and adults. Very informative. Very friendly and

.....

Would you consider recommending or re-booking Tropical Inc again?.....Yes, we have since booked for a presentation in August.....

If no please state why?.....

Was the presenter punctual and did they meet your expectations?

Yes. The presenter arrived in plenty of time to set up and give families time to arrive and settle in.

I thought the whole set up of the display was fantastic! Much better than I was expecting.

There was a good variety of different animals for dads and children to meet and the presenter had good knowledge about each animal.

The children loved being able to touch and handle the animals, as did the Dads and they were thrilled they were able to have their photos taken with some of the animals

The feedback from parents was fantastic and they asked if tropical inc could come back to their 'Just for dads' club again!

Our presenter spoke to us about different ways of doing presentations in the future if we wanted something a bit different.

Thank you Tropical inc was a fantastic morning children parents and staff really enjoyed it!!

How did you find the overall experience?.....Excellent.....

Please could you let us know how you think we could improve in any way?

I thought everything about the animal presentation was excellent and can not think of anything that may need improving.

.....

Please feel free to leave any other suggestions you may feel relevant?.....

Thank you for your co-operation. We hope to see you again.
